"GREETINGS MARY, FULL OF GRACE."

The Episcopal Church of Saint Mary - Falmouth, Maine

From our Sabbatical Pastor

Set me as a seal upon your heart, as a seal upon your arm;
for love is strong as death, passion fierce as the grave.
Its flashes are flashes of fire, a raging flame. Many waters
cannot quench love, neither can floods drown it.

(Song of Songs 8:6-7)

If these words sound familiar, it may be that you tuned
in recently to the royal wedding between Prince Harry and
Meghan Markle, now the Duke and Duchess of Sussex. And
even if you weren't watching the royal wedding, you've
probably heard these words pronounced at other weddings,
as they are part of the classic nuptial canon.

Presiding Bishop Michael Curry gave the sermon at the royal wedding, and in doing so
our Presiding Bishop, the Presiding Bishop of the Episcopal Church, quickly became a much
more visible public figure. He earned coveted spots on *Good Morning America* and the *Today
Show*, and was even spoofed on *Saturday Night Live*. He is already a rock star among Episco-
pals, but there are less than 2 million of us. Now many millions more have heard from ar-
guably our most dynamic preacher. But more important than his personal dynamism is the
fact that people the world over heard a reminder of the powerful force that is love. "Many
waters cannot quench love, neither can floods drown it."

This message of love was not a romantic one. Instead, it was a reminder that true love
takes on a power that can move mountains. Bishop Curry did not shy away from the realities
of the world – he did not present love as a fairy tale that takes place in a fantasy world of sun-
beams and cloud castles. Instead, he located the power of love in some of the most painful
moments of US history. Love is the power that slaves tapped into as they struggled to make it
through each day, the "balm of Gilead." Love is the power that Dr. Martin Luther King
tapped into in order to change hearts and minds and lives.

"Beloved, let us love one another, because love is of God and those who love are born of God and know God." Bishop Cur-
ry said, quoting from 1 John, "Those who do not love do not know God – why? For God is love. There's power in love.
There's power in love to help and heal when nothing else can." This is a power and a love that is there to help and heal us, in
the broken moments of our global, national, and personal histories. And this is a power and love that each of you are tapping
into as you do the good work of the people of S. Mary's – work that is helping to heal a world sorely in need of a love that
burns so brightly that it cannot be drowned.

Peace, The Rev. Sara D'Angio White

AUTUMNAL ADJUSTMENTS

When September comes, there will be a few minor adjustments and new offerings here at Saint Mary's. This is a wonderful and active Christian community. I and my family are privileged to be part of it along with all of you. At the same time, there are ways in which we need to grow – particularly in the areas of intentional spiritual formation and discipleship. In my opinion, we offer worship to God with excellence and care and beauty. This is where we shine. But there are few other regular times when our parish family gathers together to study, to learn, to pray, and to discuss things of real importance. Times like this are vital for us to grow in our understanding of God's claim on our lives, and to grow deeper in our connections with one another.

Therefore, beginning September 9, we will implement a slight shift in our Sunday morning schedule in order to accomplish these goals. The overall Sunday schedule for the school year will look like this:

8:00 am: Contemplative Eucharist (Rite 1 or Rite 2)

9:15 am: Choir practices (adults and youth)

9:30 am: Christian Formation for all ages

10:15 am: Choral Eucharist

As always, coffee and snacks will be offered after each Eucharist and throughout the morning. This schedule shift will give the adults in our community a solid 30 minutes between 9:30 to 10 am for small groups to gather for Bible study, book study, storytelling, centering prayer, outreach conversations, Episcopal Church 101 and seasonal events. I am really excited about the possibilities that this will enable for Saint Mary's. If you have a group that you would like to facilitate or to see offered, please send me an email or reach out to your wardens.

We are going to add one other regular gathering as well. There is nothing like sharing a meal together to build community. On Thursday evenings at 5 pm, we will gather for potluck-style Faith Family Suppers. Food will be available anytime until 6 pm, when folks will be invited to special groups for study and practice. Our Royal School of Church Music choir will study and rehearse at 6 pm. Advent and Lenten study groups will meet at that time, and other book study groups and committee meetings will also meet at 6 pm. By coordinating these rehearsals and meetings around a common meal that is open to all, we will create a regular critical mass of our community when ministry will take place.

These adjustments are intended to help us accomplish our mission of "building authentic, vibrant, Christ-centered community" where we celebrate, honor and serve together. With your support, I am confident that these adjustments will bear good and sustainable fruit that will result in the growth of our parish family. Thank you in advance for being open to trying new things together!

Your fellow traveler on the Way of Jesus,

Nathan W. Ferrell +

Vestry Highlights from your Wardens

by Janet Bowne

We met on May 16th. Father Nathan led us in a meditation about being busy. He's on the second phase of his sabbatical and will be back in the office at the end of June.

Jim Stoddard was our guest for the meeting representing the Building and Grounds Committee. He shared some updates on projects for the spring. The roof and porch of the Rectory were repaired. The main church doors have been removed and taken to be refinished. Temporary doors have been installed until the doors are returned. Jim shared a general project list that includes items that we need to do but do not have the funds for at this time. They have spoken to a contractor about a sound system for the church. The cost is quite high although we might be able to apply for a grant as long as we can demonstrate the need is not primarily for religious purposes. We host many recitals and concerts open to the general public. It's a long shot but worth pursuing.

Financial update

We are at \$280,000+ toward our pledge goal of \$285,000. We have added several new members since the first of the year so we are close to the goal. Giving has been strong, and we are very appreciative of our generous parishioners. During the summer months, giving drops off a bit since people are away. They catch up in September, but it can mean the summer months are lean. We will be reminding folks to stay on top of their giving while they enjoy the summer. Many people do automatic bank transfers so their pledges keep coming.

Farm-to-Table Dinner and Auction

Saturday, August 18th is the date. The dinner is shaping up to feature the best of Maine's bounty. We are collecting auction items. Please consider an item or experience to donate. We'll have auction forms available in the June AVE and around the Parish Hall.

Fall Schedule

We are making some changes to the Fall Schedule. Beginning on Sunday, September 9th with Kick Off Sunday, the 10 a.m. service will move to 10:15. This will allow us to offer regular formation classes for all ages between the two Sunday services. We are also offering a Faith Family Fellowship Thursday experience, which will encourage committee and guilds to meet in the late afternoon. The RSCM choirs will rehearse on Thursdays as well. We will host a casual potluck from 5-6 with a program following from 6-7. Adult Choir Rehearsal will start as usual at 7. Anyone with thoughts on programming from 6-7 should speak with Jim Kane or Janet Bowne.

Garden Redesign (see page 12-13 for more details)

The Garden redesign project is being well received. It's a partnership with the Saint Mary's Garden Club and will take three years to complete. The Garden Club is funding roughly \$15,000 of the renovation. The church will fund removal of trees and invasive species such as burning bush. We have received some dedicated gifts to support our efforts.

Nominating

The graduating class of Vestry members form the Nominating Committee for 2018. They will begin work on slating new members over the summer with the nomination season happening in the early fall.

Outreach Committee

The Outreach Committee is having a committee-level discussion on their structure and operation. They wrote a letter with the hopes of encouraging committees and guilds to be more Christ-centered with suggestions to the Parish Leadership to consider:

- They would like help from the Rector to encourage and make space for grappling/reflection and weaving this into sermons, writing about them in the AVE and social media.
 - They would like a clearer voice in how we can respond to current events.
 - Outreach may consider selecting one or more issues to highlight each year, bringing experts to speak to an issue. They cite the New Mainers program as an example.
- They would like to see guilds and committees to encourage prayer and reflection to ensure we are all remaining Christ-centered.

Sunday, September 30, 7:45 AM Start: Be part of one of our S. Mary GODSPEED relay teams and join this enormous community event. Runners of ALL ABILITIES are invited to join us. The relay distances are 6, 8.8, 6.2 and 5.2 miles. There is so much energy along the entire course. It is a great autumn morning. If you are considering this, please contact Nathan with your questions or concerns.

ALSO, relay teams will be forming over the summer to run once again in The Maine Marathon on Sunday, October 2. If you are even a little bit interested, contact Nathan at 310-0268 or nathanferrell@smary.org.

Praying the Questions

by Merle Marie Troeger

I attended a baptism not long ago. We were away from home, attending another church, so we didn't know the family or the child. Little Ethan was adorable and slept through most of the service, waking only briefly when the water fell on his face.

For some reason I was paying more attention than usual to the prayer immediately after the baptism: *Give him an inquiring and discerning heart.* Strange, I first thought, that the heart would be the seat of inquiry. But no, I looked at the prayer book again just now to be sure. It definitely says *heart*. We usually think of the mind as the place where we wrestle with the big issues. Yet this prayer insists that the heart asks the questions.

I like a religion that prays for questions. Sticking with the same pat answers gets boring. I'd go further. Sticking with the same pat answers isn't faithful to a God who is always unfolding new wonders and revealing new worlds to us. So I say hurrah for the questions, the doubt that prompts the questions, the changing life circumstances that make the old answers unsatisfactory after awhile.

Living with unanswered questions about God can be unsettling, though, I realize. So here's a thought that's not original with me. What if it is God who has given you the questions? (Thank you, Brother Curtis Almquist.) If living with the questions is uneasy, think of them as originating in the One in whom all unanswered questions are laid to rest.

The prayer at the baptism asks for something else beyond an inquiring heart. It asks for a discerning heart -- that is, a heart that evaluates the myriad answers that may be offered to those pesky questions why? where? who? really?

How will your heart discern the possible responses to the questions your heart asks? You may need some help. You don't have to work it all out on your own. Speak to a friend. Make an appointment with a clergy person. Join a Bible study or a prayer group. Try spiritual direction. You might even be moved to sign up for Education for Ministry. Whatever you do, make sure you say a prayer of thanks for your inquiring heart.

Outreach Committee plans for next year

The Outreach Committee, along with some guests, met on May 9 to review current projects and plan for the future. We summarized our current work, ranging from *Welcome New Mainers*, to Long Creek, Mission Mornings, and Souper Supper. We also discussed some new ideas, that included making connections with Muslim religious groups. We also voted to give \$1000 to Saint Elizabeth's, an essential needs pantry, since we had not given last year.

We are pleased to announce that Jennifer Gregg has offered to take over the Committee leadership, starting in September. We will also be meeting regularly on the first Tuesday of each month at 4:30 pm, summer months excepted.

If any parishioners would like to join our merry little band, please contact Marian McCue or Jennifer Gregg. Marian.l.mccue@gmail.com or jenniferanngregg@gmail.com

Falmouth Foreside 5K Run

Another Great Turn-Out for the Annual Ecumenical 5K Run for Habitat for Humanity

It was a picture-perfect Maine morning for a

run, and enthusiasts turned out in droves on May 4th to contribute through sport to the building fund for another Habitat home in Scarborough that will welcome a deserving Maine family this year.

This annual event is organized by the Falmouth churches (with deep thanks to the many volunteers from and generosity of Foreside Community Church, Falmouth Congregational Church and the Parish of the Holy Eucharist) and hosted by Saint Mary's. Originally a walk --and walkers are still welcome!!--the event has evolved into a run that has grown steadily over the last three years, this year netting \$11,389 and attracting over 80 runners.

Special thanks to Anne Lafond who again coordinated this effort, and additional thanks to all of YOU who ran, walked, sponsored, volunteered and baked!

Please note and remember our community corporate sponsors. Please thank them when you patronize their establishments!

Outreach Ministry - All Ages Serving Near and Far

In Her Presence

by Becky Pride

A good number of Saint Mary's women and friends have been teaching female immigrants in Portland Public Library every Saturday morning this school year.

We started teaching English to young immigrant mothers enrolled in the "In Her Presence" initiative in October, and we just held our final class on May 19th. Our last class was a final conversational assessment of each woman. Four lead teachers in pairs, Susan Schraft and Merle Marie Troeger, and Anne LaFond and Becky Pride, listened to each woman talk about country or family, while Judith Brooks, Molly Felton, Mandy Garmey, Caroline Knott, and Ginny Stelk helped the other students in the class with their writing and conversational skills. After our assessments, we had cake and ice cream and then passed out personalized Certificates of Achievement. The women were so excited to be recognized and celebrated!

We teachers couldn't be prouder of our 16 new Mainers who worked so hard during the course and improved dramatically in their understanding and usage of the English language. It feels true for all of us teachers that we learned and received far more than

we gave. The sense of accomplishment, encouragement, and friendship that has grown out of our experience together with these remarkable immigrant women has been priceless.

Thanks to our dedicated team of teachers: Judith Brooks, Molly Felton, Mandy Garmey, Caroline Knott, Anne LaFond, Katie Porter, Becky Pride, Susan Schraft, Merle Marie Troeger. Also, we really appreciate the time that Penny Daborn, Lee Dernehl, and Mary Roy were able to give the group.

WELCOME, NEW MAINERS EVENT

What an interesting, informative, and moving event we had on Sunday, May 20!

Our *Welcome, New Mainers* fourth event of the year focused on mentoring asylum seekers. Asylum seekers are fleeing war, political turmoil and personal danger in their native countries, so they arrive in Maine often alone, with nothing but the clothes they are wearing. Nancy Markowitz spoke about *Welcoming the Stranger*, an organization created to respond to the rising number of immigrant families seeking political asylum in Greater Portland. Welcoming the Stranger finds volunteer families or individuals willing to enter into a mentoring "friendship." Helping someone learn English, write a resume, use the bus system, navigate the schools, or just taking a family for ice cream...mentoring can be many different things. Nancy emphasized how hugely rewarding and beneficial this experience is for both the mentor and the mentee.

Lucky Hollander of *Hopeful Links* works with local organizations to identify young people from war-torn countries arriving in Maine unaccompanied by parents or loved ones. Lucky introduced us to a young man from Burundi and his mentor "mom" Blanche Belliveau. Blanche spoke about how this young man has enriched the lives of her whole family since he came to live with them. He speaks 7 languages, including English, is an excellent student at Deering High School, and like many mentees that Lucky has placed, he is motivated to excel and find a good career.

The evening ended with a powerful and moving recitation of poems by Allan Monga, Maine's "Poetry Out Loud" champion. Allan is 18 and arrived in Maine last July from Zambia. Alone and speaking little English, he enrolled in Deering High School and with the help of dedicated teachers, found a passion for reciting poetry. Allan recited two poems, "America" by Claude McKay and "She Walks in Beauty" by Lord Byron, George Gordon. Allan filled the room with his powerful presence and voice.

Christian Formation - RAY Beams - June 2018

Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these... Luke 18:16

Our in-depth study of **Kids in the Bible** concludes on June 3rd with a lesson on "you." Sometimes we think that we won't have the kind of faith that God wants us to have until we are grown-ups. But kids will learn that Jesus recognized that they have a special faith to see and follow him right now.

Learning about kids in the Bible has been a wonderful way to help the kids realize that God has a plan for them and that kids can do amazing things!

A Special Thank You to the Guiding RAY volunteers

Being a Guiding RAY volunteer is an amazing job and working with our children is one of our most fulfilling ministries. We at Saint Mary's have many people who have given their time, treasure, and talent to introduce our kids to Jesus Christ, to plant the seed of God's

Word into their hearts, to model the love of Jesus, and

to nurture and shepherd them into a lasting relationship with God. Please take a moment to thank the adults who have been involved with Guiding RAY this year, because right now, this is the best we can do for these dedicated saints...at least on this side of heaven!

Saint Mary's Vegetable Garden

From the garden of Eden to the garden in John's gospel where Jesus makes his first post-resurrection appearance, a garden is the place where God dwells, the place where God proclaims that everything is good, the place where God in Christ calls us by name. Saint Mary's vegetable garden is such a place. Two raised beds have been constructed and the Guiding RAY kids have already done some initial planting. The produce will then be donated to the Falmouth food pantry and our Farm-to-Table auction in August. For more information about how you can help the Saint Mary's Garden grow please contact, Master Gardener and parishioner, Bobbi MacCallum at bmaccallum43@gmail.com.

Faith Family Sunday, June 10

Join us as we honor our choirs, acolytes, graduates, children and our Guiding RAY volunteers! There will be no Guiding RAY classes that day and children will have the opportunity to participate in the 10am service as ushers and readers. Summer Nursery Care

Though Guiding RAY classes end on June 10th, Nursery Care for our youngest parishioners (0-3 years old) will continue throughout the summer from 9:15-10:30 thanks to the devoted service of Alison Hayward. In order to abide by Safe Church policy and for the safety of our kids, we need to have *two* adults in the nursery area. We are asking the entire parish family to **consider assisting Alison ONE Sunday this summer**. If you can do so, please contact Alison directly, ajhmcmonagle@gmail.com

Think Sparkles First ... Even in Summer!

It's summer in Maine, and that means that it's time to think about and prepare for Sparkles 2018, on **December 1** this year. Sparkles is one of our main fundraisers to support S. Mary's programs all year long. The

Sparkles Fair includes a Boutique, Bake Sale, Cookie Walk and Café. It is a great time to shop for the holidays, both for gifts and for yourself. In addition, if you volunteer in one of the many areas we have, you'll find that it's also a great way to meet new friends, to laugh, and to get in the holiday spirit!

Some of the most popular areas at the Fair include toys and children's items, handknitted goods, themed baskets, gently used treasures and household items, holiday decorations and so much more! All boutique items are donated by church members. Thank you!

But even before we get into the full swing in the Fall, there are many ways to help now . . .

KNITTERS/CROCHETERS/SEWERS/WEAVERS/EMBROIDERERS – Begin now making things for the Knitting Corner. Mittens, hats, scarves and felted bags are always big sellers. If you're cleaning out your "stash" of yarns or fabrics or notions, please save those to donate as well. For more information, call Barbara Murray (799-1326)

SAINT MARY'S GEMS – If you have old (antique or costume) jewelry, please save those for donation. They will be cleaned, repaired or reworked into other wearable pieces.

ARTISANS and CRAFTERS – We offer a limited number of tables (three total) that feature professional artwork. The artist takes 50% of the proceeds from their table and will take home any items not sold. If you would like to "sparkle" and show off your talent, please call Jana Burke (272-4535)

DONATIONS FOR THE BOUTIQUE – Please, if you have items to donate, think Sparkles first! If you are selling your home, moving, closing an estate or just cleaning out, please consider donating your items to the Sparkles boutique. We accept donations year-round and offer pick up service if needed. Please call Jana Burke (272-4535) to make arrangements.

We sincerely hope that you'll join in the festivities of Advent and preparation for Christmas!

SAVE THE DATE: Celebration of Summer in Maine on August 18, 2018. A Farm-to-Table Dinner and Auction Fundraiser

Summer is almost here and, as you have heard, the Lobster Bake and Auction is having a makeover. We're still having the auction portion of the event, but the dinner will be a sit-down meal in the farm-to-table style. We will be serving a variety of things from the gardens and farms of Saint Mary's parishioners.

Do you garden? Do you have chickens for eggs or meat? Berries or fruit? Do you have other food products/ raw ingredients that we might be able to use in a four-course meal? We will be look-

ing for your donations to come in Friday, August 17 this summer.

By now, many of us are working in our gardens. Let's join the Guiding RAY children in growing something special for this event (see page 8 for more details), so as you plan your garden could you **add a row or a small bed for Saint Mary's?** We will be looking for tomatoes, peppers, onions, potatoes, carrots, corn, herbs, summer squashes, salad greens, etc., the bounty of a Maine garden.

If you think you might be able to grow or provide some of these, could you put the information about what you might be able to grow for us on this [link](#) to give us an idea if we have enough folks growing enough food for the event. If you are not a gardener but perhaps have a garden share and might have excess bounty, we could use that too. We are looking for the tastiest varieties, possibly heirloom.

As we get closer to the event, we will be looking for other people to help whether you're someone who can help in the kitchen to prepare the meal, do set up, wait tables, or clean up. Garden Redesign

Janet Bowne and Lucy Ellis

We are fortunate to have the Saint Mary's Garden Club (SMGC) affiliated with our church. The SMGC was organized in June 1930 and was originally composed of only Saint Mary's members. In recent years, the SMGC broadened to include garden enthusiasts from the broader community. Among many projects it undertakes annually, the SMGC maintains the perennial garden between the chapel and the rectory. Recently, the garden club's membership realized that the garden's design has not been refreshed in many years. Plantings have aged, and light conditions have changed as trees matured or were removed. The large pine in the middle of the garden has taken a toll on the grassy area. Ants have taken up residence, and the soil is severely depleted. The SMGC decided a complete redesign is needed. Working with its talented membership, the SMGC has voted to support a redesign which will be a three-year project and a \$15,000 investment by the garden club for installation of the entrance path, grading, dropping loam and seeding.

The SMGC approached the Vestry to discuss and gain support for this wonderful project. It is clear that this redesign will enhance our outdoor space significantly for individual prayer and reflection as well as events and

garden tours. There are elements of the project that will need to be managed by the church including removal of trees that are affecting light and ground quality. The SMGC also strongly urged us to remove the burning bush hedge at the Rectory as burning bush is invasive and will take over the new garden space rendering the redesign ineffective. We will need to replace the hedge with plants and/or hardscapes that are sustainable. Over three years, we anticipate the church's commitment to be approximately \$4,000. The Vestry approved the project with the provision that we will raise money separately for the expenses incurred in 2018. We prefer to fund all of our needs on a priority basis through the budget with income from pledges, fundraisers and investments. The opportunity to receive such generous funding from the SMGC and realizing how the redesign will allow for greater use of our outdoor space is something we cannot overlook. We have received some early designated donations for this project from parishioners supplementing what SMGC have already pledged.

Buildings & Grounds Update

by Jim Stoddard, B&G chair

Looks like we finally are into Spring, as the snow is gone and the annual spring clean-up was a success. B&G has been busy with several major projects that have been undertaken or are in the works.

- A new roof was put on the Rectory.
- The front doors to the Church are being refinished.
- A contract to remove trees between the Parish House and the Rectory has been signed. This project is in conjunction with Saint Mary's Garden Club, which is in the beginning stages of a major three year project to beautify the Church campus.
- A project that is being started is the refurbish of the Lychgate that is at the entrance to the walkway that leads to the front door of the Church. Junior Warden, Janet Bowne, is writing a proposal for a grant to assist with this project which will cost in the neighborhood of \$10,000-\$15,000.
- Smaller projects that have been completed are: replacing faucet in Parish House kitchen, repositioning door in auditorium, adjusting front door to Auditorium, to name a few. Our to-do list is being whittled down.

As you will notice, the tent was put up last week in anticipation of the Memorial Day Parade as well as the annual St. Mary's Garden Club plant sale. Come out to support their wonderful work. B&G will continue to tackle projects throughout the summer; our work is enjoyable, but never done.

Have a terrific summer.
